mission & vision

The mission of wegg is to educate, inspire and nurture women business owners and entrepreneurs worldwide on how to take their business global. This knowledge can help them run healthier businesses and create a new future for themselves, their families and their communities. wegg's vision is a world where every woman business owner has the opportunity and ability to take her business global wherever she lives.

what wegg does

wegg provides tuition-free online education to women-owned small or medium-sized enterprises (SMEs) and entrepreneurs, worldwide. Regularly scheduled wegginars, How She Went Global® podcasts, and Club wegg® cohorts feature successful professionals who provide participants with practical information to guide them through the many aspects of exporting, and provide concrete strategies for global entrepreneurship.

wegg is the only USA nonprofit that consistently delivers global business educational offerings in a simple, engaging and affordable manner. wegg helps women business owners with exportable products or services develop the emotional and operational readiness needed to go global.
